

# FANGFOSS WITH BOLTON PARISH OCTOBER/NOVEMBER 2014

## NEWS FROM THE PARISH COUNCIL

### COUNCILLOR VACANCY

The parish council is seeking to co-opt a councillor to bring its numbers up to the required level. A voluntary role, this is an interesting and rewarding way of being involved in the community and the commitment is not overwhelming. Anyone is welcome to apply, including those who have only recently moved to the parish. You don't need any special qualifications, just a willingness to spend three or four hours once a month helping make decisions about parish/local matters. Any of the current councillors, or the clerk (see website) would be pleased to explain what is involved, or you can find more information on the website. If you are interested, contact the Clerk.

### Planning applications

On 1 September, the parish council considered planning applications as follows:

- Erection of agricultural buildings at Highfield Lodge
- Variation of condition of planning to extend holiday season to 12 month – Fangfoss (Caravan) Park

### Hedge trimming

According to Monty Don on Gardener's World, now is the time to give your hedge a good trim ready for winter. In particular, if your hedge borders a public footpath, or affects the sightline on road junctions, please consider whether it needs cutting back for the safety of those using the path/road.

### Defibrillator

About 20 people have now trained in the use of the defibrillator, which is housed on the side of Harry Postill's workshop. It must be stressed that it is possible to use the machine without training, as opening it triggers audible commands. If you would like to know the code for the keypad on the defibrillator container, please contact the parish clerk by telephone (see below).
