

# FANGFOSS WITH BOLTON PARISH OCTOBER/NOVEMBER 2015

## NEWS FROM THE PARISH COUNCIL

### Cold calling

The Parish Council would like to thank all those who responded to the survey of parish residents on the subject of Cold Calling. We are pleased to report that we now have the necessary authority from residents to ask East Riding Council to implement 'No Cold Calling' Zones in the parish. The timescale is currently unknown, but from now on will now depend on ERYC.

### Safe and Sound Grant

Also on the subject of security, East Riding Council are making available a grant to help with home security measures such as: additional locks for doors and windows; door chains; door viewers; security lights.

Applicants must be homeowners or private sector or Housing Association tenants, should be aged over 60 or disabled, and in receipt of a means tested benefit. For more information, visit the Fangfoss website, where the scheme is advertised at greater length.

### Flytipping - Warning

Did you know you can be held accountable if your waste is disposed of illegally – even if you have hired a firm to take it away for you? Illegal dumping of waste can attract fines of up to £5,000. Ensure that you check the credentials of anyone you employ to dispose of your waste by asking to see their waste carrier number. You can call the Environment Agency on 08708 506506 to ask for a waste carrier validation check.

You can find the latest minutes and agendas for forthcoming meetings on the council area of the village website.

## **WANTED – HANDY MAN OR WOMAN**

Are you handy at minor repairs and maintenance, and do you live in Fangfoss with Bolton Parish? The Parish Council is looking for a practical person they can call on to help with small odd jobs that crop up from time to time around the parish. For example currently the gate to the St Martin's children's play area is in need of adjustment and there are a couple of signs to be fixed in the same area. Remuneration would be considered at a rate to be agreed. If you think you could fit the bill, please contact the parish clerk (see panel) in the first instance.

## **Christmas Bake-off competition – Hurry!!**

East Riding is holding a Christmas Bake-Off competition for an original recipe using Christmas leftovers to create a tasty new dish. The winner will receive a £100 voucher for the Pipe and Glass (Michelin star restaurant at North Dalton). Closing date for entries is Monday 5 October, so not much time to enter. There's an entry form in Your East Riding magazine, Autumn edition, or on ER website.
