Dear Neighbours,

We are doing an extra newsletter a bit sooner than normal so that we can send you some ideas regarding VE day.

The May Day bank holiday has been moved from Monday to Friday this week to celebrate VE Day and thanks to Angela, a resident in Bolton we have been sent details of a nationwide celebration. Talk to your neighbours (socially distanced of course!) and decide how you would like to commemorate the day. It would be good to see people on their doorsteps at 11am and raising their glasses at 6pm. If you have any memories or stories of VE day (yours or those handed down to you) please send them to Pamela and we will add them to the website.

Anyone have any 40s gear to wear?

ERYC Leaflet

You will receive a leaflet with this newsletter which we have been asked to distribute by the East Riding Council which gives information about the support available from the council.

Cycling

We have another bike looking for a good home. This one has been donated by Mari in Fangfoss and has been serviced and is ready to ride. Suitable for teenager, man or woman between 4ft 10in and 6ft. 18 gears

Village Businesses

With apologies to Claire at Border Blooms there was a typing error in her phone number it should have read 07887775002

If you are looking for a gift but cannot get to the shops why not try Fangfoss Pottery? Call 01759 368384 or email lyn@fangfosspottery.co.uk to arrange to view their handmade pottery (safely with social distancing in place.)

Thank you to Elizabeth who takes a carrier bag with her when walking on Station Road and picks up the litter thrown in the verges. An example for the rest of us to follow? It is amazing how much she has collected but it is a sad reflection on the number of litter louts driving through our village.

Village website: www.fangfoss.net The Carpenters current food offering and church news can be found here. Also links to websites providing information about Covid 19.
