

St Martin's Church – 100 Club

Our 100 Club was started to raise much needed funds to help with the running costs of the church and to assist with unexpected costs. Members make a one-off payment of £10 each year, usually collected in December to cover the following year. Each month, 2 draws are made for a £25 prize, except for April and December when there is a draw for a £100 1st prize, a £60 2nd prize and a £40 3rd prize. The draws usually take place in The Carpenter's Arms, and the winning numbers are displayed on the pub and church notice boards, as well as in the parish magazine and on the village website.

New members are always welcome so please contact Maggie Smith on 01759 368455 if you are interested. You don't have to live in Fangfoss, Bolton or Spittal to take part!
