

# FANGFOSS WITH BOLTON PARISH APRIL/MAY 2017

## NEWS FROM THE PARISH COUNCIL

### ANNUAL VILLAGE MEETING

Please make a note in your diary that the Annual Village Meeting is on **Wednesday 10 May, 7.30 pm, at St Martin's School**. This is an opportunity for you to come along and air any issues you may have concerning parish matters. You can learn how your precept contributions have been spent and hear reports from school and Jubilee Park about their year. **PLEASE COME ALONG - MEET YOUR COUNCIL, HEAR ABOUT THEIR ACTIVITIES AND MAKE YOUR VIEWS HEARD.**

### VILLAGE TASKFORCE

The parish is due for an initial planning visit by the Village Taskforce team on 8 May. This is a service operated by East Riding Council which carries out periodic tasks such as minor pothole repairs, street asset painting, sign repair and washing, and the cutting back of overgrown vegetation. The parish council would be pleased to receive suggestions for tasks of that kind that you have noticed need attention. By the time this news reaches you, you will have only a short while to respond in order for your suggestions to be considered on 8 May. Please inform the clerk of any ideas as soon as possible.

### PLANNING – CHANGES TO NEIGHBOUR NOTIFICATIONS

You may have seen on p5 of your copy of *Your East Riding* that the ERYC Planning Dept are to cease notifying those in properties neighbouring a site for which a planning application has been submitted. They will still put up the yellow notice near the site but generally people will need to find out for themselves about applications that may affect them. The official and most reliable way to do this is to register on the East Riding Public Access website where you can opt to be notified of applications as they arise in the parish. The Parish Council undertakes to pass on this information to anyone registering for Fangfare email updates. For more detailed information about this, please see the village website [www.fangfoss.net](http://www.fangfoss.net).

## PARISH CLERK POST – VACANCY

The Parish Council is looking for a new clerk. I'm going to declare a personal interest here as it's been my job for almost ten years. Not to spare their blushes, the parish council is a friendly, easygoing and supportive group of people. The job is a good way to find out more about the place you live and make a contribution to its future development. It's certainly been an interesting ten years for me and I know the council is hoping to find someone local to take the role, so why not give it try?

**More details of what's involved and how to apply can be obtained from me as below, or from the village website.**

### PRECEPT

After seven years with no rise in the precept, this year, the council has precepted for an extra £500. The main reason for this is the anticipation of adopting the two telephone kiosks from BT. Both require considerable initial maintenance work and the Fangfoss one in particular is leaning and will need more substantial work to correct it. Following that will be adaptations to whatever use is decided upon. The council is still up for ideas for future use. Adoption has yet to be ratified by BT, so plans are still on hold.

You can find the latest minutes and agendas for forthcoming meetings on the council area of the village website.
