

FANGFOSS WITH BOLTON PARISH

NEWS FROM THE PARISH COUNCIL

Councillor vacancy

A voluntary role, this is an interesting and rewarding way of being involved in the community and the commitment is not overwhelming. Any of the current councillors (see website) would be pleased to explain what is involved, or you can find more information on the website. If you are interested, contact the Clerk.

September Parish Council Meeting

Please note, the September meeting has been brought forward to **Mon 1 September**. There is no meeting in August.

Defibrillator

As some people were disappointed to miss the training session in April, we are organising a further session. At the time of writing, we expect this to be in the second half of August. Please check the village website nearer the time for a firm date (or contact the clerk)

Noticeboard

With the help of grant funding, a new aluminium noticeboard has been purchased for Bolton, to replace the current board which is past its best. This should be sited in the near future. Our next goal is a dog litter bin for Spittal.

Healthwatch East Riding of Yorkshire

This is an independent information, support and advisory service relating to health or social care issues. They have asked us to help publicise their services. They also need volunteers. Check out their website at: www.healthwatcheastridingofyorkshire.co.uk.

Newsbite: St Martin's School holiday dates: 18 July – 2 September
