

# FANGFOSS WITH BOLTON PARISH FEBRUARY/MARCH 2016

## NEWS FROM THE PARISH COUNCIL

### PUBLIC TRANSPORT

Thank you to everyone who let us know their views on public transport, following the last news sheet, either by attending the meeting on 7 December, or by other means. The parish council has used these views to make a short report for East Riding Council about the wishes of parish residents with regard to the bus service. You can find the report on the village website (see box). It is hoped that representatives of ERYC will attend a parish meeting at some point in the next few months to discuss the points raised.

### PARKING IN FANGFOSS

The number of residents using on-street parking is increasing. Large, new houses under construction have standing for only two cars, thus making it likely this trend will continue in future. It is important therefore for all drivers to work together to minimise the impact this has on the community. When parking, whether overnight or for school drop-off please make sure you position your car safely and don't obstruct paths, driveways or sight lines. When negotiating past parked cars, please have a care not to erode the verges wherever possible.

### FLOODS & CONSIDERATE DRIVING

More driving issues! It was brought to the parish council's attention that many people drove too fast through the recent floods creating a wash that caused more problems in neighbouring houses. Please avoid this!

### NEW WASTE BIN

Following the collapse of the waste bin next to the bus shelter just before Christmas, due to causes unknown, East Riding Council has generously replaced the bin free of charge. Please note, although the construction of these bins appears very solid, they are in fact just a thin metal skin covering a much weaker material and so are not weight-bearing objects!

**Stop press:** The precept has been held at £6,500 for a fifth year running.

## CLEANING UP AFTER YOUR DOG

Of all the issues the parish council deals with, this is the most common cause for complaint. This is our annual reminder that dog waste should be bagged AND BINNED. Recent complaints focused on bagged dog waste left in Back Lane, Fangfoss.

Used dog waste bags degrade in quite a short time, so apart from being very unsightly, they are also still a health hazard.

You can find the latest minutes and agendas for forthcoming meetings on the council area of the village website.

## OTHER NEWS FROM THE PARISH

### JUBILEE PARK - coming up

**Children's disco Sat 19th March 6.30-9.30 Wilberfoss Community Centre**

Adults: £10; children: £5; family £20; Cold buffet included

Tickets: Ann Maltby or Fangfoss Pottery.

**Potato competition:** believe it or not, it's nearly that time of year again!

Seed potatoes will be available from March.

### PHOTOGRAPH COMPETITION

Now is your chance to have your artwork hanging on every wall in the parish! Each year, Jubilee Park produces a calendar featuring photographs of the locality. This year they are inviting you to submit your pictures with the aim of choosing thirteen winners to feature on the 2017 calendar, **plus the best photo will receive a £50 cash prize.** Entries will close in Autumn. Some consideration is usually given to seasonal pictures to match the months (although this is not a hard and fast rule) so keep your eye open throughout the year for a chance to snap a winner! Three entries per person will be allowed. Details about how to enter will be available in due course. Please note the photograph will need to be available in digital format.

Look out in the main newsletter for a new community initiative by Fangfoss resident, Chris Rock. Chris is hoping to hold a free 6 week drawing and graphic art course at Bolton Chapel in the Spring.
